### Rainforest Cafe founder, Landry's launch 2nd T-Rex

ORLANDO, FLA. — Schussler Creative and Landry's Restaurants Inc. have opened their second dinosaur-theme T-Rex Cafe, at the Downtown Disney mall here.

Steven Schussler, founder of Golden Valley, Minn.-based Schussler Creative and creator of the Rainforest Café concept, devised the 30,000-square-foot, 600-seat branch. He also devised the original T-Rex Cafe in 2006 in Kansas City, Kan., in partnership with Landry's, which owns 80 percent of the brand co-venture.
